### **Ticking this box is mandatory for all applicants:**

I acknowledge that:

1. I will enrol as a full-time student and commit to participating in the Theatre SPACEs Master programme for 24 months.
2. If I am an EU/EFTA student, I will hold a valid European Health Insurance Card for the duration of the programme.
3. By applying, I accept that if selected, I will be required to sign a Student Agreement. I understand that this Agreement is legally binding and confirms my acceptance of the study place offered under the Erasmus Mundus Joint Master programme.

### **Tick at least one of the two options below, or both:**

I am applying for a **scholarship**. If selected to receive a scholarship, I understand that the Consortium will grant me an EMJM scholarship of 1,400 EUR/month for 24 months. I acknowledge that in this case

1. I have never benefited from an EMJM/EMJMD scholarship before.
2. I cannot benefit from any other EU-funded scholarship scheme to follow the Theatre SPACEs Master programme for its entire duration.
3. The EMJM scholarship may not fully cover visa fees, travel expenses, accommodation, and/or living costs, and I accept responsibility for securing additional personal resources if necessary.
4. Scholarship instalments will be transferred to my EUR bank account in EUR after my arrival in Norway, once the Coordinating Institution confirms my arrival and receives the form with my account details. I am responsible for covering or pre-financing all costs incurred prior to my arrival in Norway. I understand that scholarship payments cannot be disbursed before the official start of the programme and cannot be transferred to non-EUR bank accounts.

I am interested in participating in the Theatre SPACEs Master programme **as a self-financing student**. Selecting this option allows you to *still join the programme without paying tuition fees*, and increases your chances of admission, since not all applicants will receive a scholarship. This way, you can secure a place in the programme and benefit from its full learning experience, even if you are not awarded a scholarship. If you have benefited from an EMJM/EMJMD scholarship before, you can still apply as a self-financing student. I acknowledge that in this case:

1. If I participate without an EMJM scholarship, I am fully responsible for covering all costs related to participation in the programme, including but not limited to travel, visa, accommodation, subsistence, insurance, and any living expenses, including travel and accommodation for mandatory field visits organized as part of the programme. The Consortium will not provide any financial support beyond the benefits expressly stated in the Student Agreement.
2. Participation in the EMJM programme exempts me from paying tuition fees to the Consortium. I understand that partner institutions may still require registration, administrative, or other minor fees according to their general regulations.
